8:00 - 8:30 AM

Registration and Networking Breakfast

8:30 - 9:30 AM

Change Is In The Air

This informational program will discuss the Trump Administration's new proposed rule which raises the minimum salary threshold to qualify as a bona fide exempt executive, administrative or professional employee, as well as practical advice on what employers can do now to prepare for the changes in 2020. We will also discuss significant EEO cases from the last term, the recently announced changes to the joint employer test, and other legislative and regulatory developments.

PRESENTED BY:

Brian R. Carnie, Partner

Michael D. Lowe, Partner
